

PADDLE POWER

This being the 5th annual Paddle Power event and Canada's 150th Anniversary, we would like to integrate these two occasions. A theme of red and white is encouraged with all the flags, hats, clothing and creative accessories you can incorporate!

Last year's location received good reviews as it is a central point on the Otty Lake. We will be returning to this location off the end of Baxter Lane and Colin Farm Road.

Paddle Power 2017

Saturday, August 12th

Gather at 10:45 a.m. Photos taken at 11 a.m.

All paddle powered watercrafts are welcome!
