

So, how old is the Otty Lake Association this year? Congratulations! Help us celebrate!

Thanks to David Bromley we not only have the above celebratory logo (in 2011 David revised it from the much appreciated original design by Lorraine Hill) but with his help we have produced our first info graphic - a fact filled sheet intended to tweak your interest and love for our lake. It is in your information package - have a look and tell us what you think.

Every spring the OLA reconnects with residents and cottagers alike with individual Spring Information Packages (SIPs) personally delivered by our Area Counsellors. Thanks to the Area Counsellors for their great assistance in maintaining this tradition.

I would also like to thank you for your support of our recent priorities survey. With your help we achieved a 40% response rate. Your board is currently studying the aggregate rankings. More to follow in the next issue of Captain Otty's Log and at our AGM.

Don't forget to mark our Annual General Meeting on your calendar. It will be held at the Perth Legion on Sunday, July 8th starting at 1:00 PM with displays, followed by our business meeting and information sessions at 2:00 PM.

Best wishes for a wonderful summer on and around our lake.
